with a rise of over many other issues gained from one to three points.

Coppers were especially strong. United States Steel, as well as the issues of the independent iron companies, were active at better prices, to the accompaniment of another upward revision of price schedules.

In the final hour dealings fell off, and the list, with a few exceptions, showed the effects of extensive realizing. The close, however, was active, with another upward movement in proxices.

progress,
London followed its home buying of
Americans with further purchases here:
Local money rates indicated ingreased firmness, despite increased supply. Easier monetary conditions prevalled abroad.
